

START HISTORY CONTEST AMONG RURAL STUDENTS

County and Community Traditions To Be Written Up In Essays

The introduction of local history work in the rural schools of Portage county has aroused such keen interest among pupils and teachers that a local history contest has been announced by County Superintendent of Schools Alice M. Gordon. Prizes are to be awarded for the two best essays written by rural school students in the county.

Prof. O. W. Neale of the rural department at the Stevens Point State Normal introduced the local history work at a teachers' institute held last November. Much interest has been aroused and in many instances old settlers in communities have talked to pupils or at community meetings on local history.

Contest Rules

The rules for the contest, announced by Miss Gordon, are:

"Any pupil in sixth, seventh and eighth grades may take part. The teacher in each school will select the best story.

"The best story from each school will be read at the spelling contest. Display the collections each school has at the contest. See 'Note' in Mr. Neale's Outline on Local History. Have old settlers give talks at this contest.

"The judges of the spelling contest shall select the best essay in the town. The best essay from each town shall be sent to this office, where judges will select the two best in the county. These two will be read at the Eighth Grade Commencement by the pupils writing them.

"The title of each essay shall be: 'The History of.....' (Name your community). Your community is a part of Portage county as a whole, and because of this fact it is necessary to begin the essay with some general history on Portage county before going into details about your local community. Follow the outline written by Prof. Neale.

"Essays must be written on composition paper, one side only and with pen and ink."

LOCAL GIRLS SHARE IN BEAUTY AWARDS

Former Normal Student and Stevens Point Young Woman Winners of Prizes

Stevens Point evidently is a haven for "northern peaches."

Two local girls, one of whom recently concluded a course at the Stevens Point Normal and another, a student at the local high school, won first and third prizes, respectively, in a beauty contest recently conducted by a Superior newspaper.

Miss Lucille Tallmadge of Glenwood City, a Normal graduate, was judged the most beautiful girl in the northern part of the state and Miss Barbara Welantuk, a daughter of Mr. and Mrs. H. Welantuk, Stevens Point, local high school student, won second prize. A Meilen girl won second honors. Their pictures were printed in a Superior newspaper.

NEW PARK FOR WAUSAU TO BE ON RIB MOUNTAIN

Fund Will Be Raised to Purchase Land and State Will Contribute \$1,500

The Kiwanis club of Wausau has authorized a park committee to proceed with the solicitation of \$1,200 for the purchase of 120 acres of land in Rib Mountain, which with 40 acres previously donated, will be donated to the state for a state park. The state will donate \$1,500 for a copper tablet and inscriptions concerning the mountain and also for paths and highways to the peak.

FAIRCHILD IS NAMED COMMITTEE CHAIRMAN

City superintendents of Wisconsin, in session at Eau Claire the latter part of last week, named R. W. Fairchild of Fond du Lac, formerly of this city, chairman of a committee to study the problem of fallow in high schools of the state. An invitation from Mr. Fairchild to hold the next session of the association in Fond du Lac was accepted.

Soldier Bonus Act In Present Session Senators So Decide

Washington, D. C., April 18.—The senate Republicans in caucus today agreed to pass a soldier bonus bill at this session.

The caucus by a vote of 26 to 9 went on record as favoring action and instructed Republican members of the senate finance committee to report out a bonus bill "within a reasonable length of time." It was further decided to call up the tariff bill Thursday and to proceed with all possible speed.

FITZMORRIS PLEADS GUILTY TO BURGLARY ON HIS ARRAIGNMENT

Three Local Young Men Now in County Jail Awaiting Sentence of Circuit Judge

B. B. Park

Harry Fitzmorris, apprehended by police Saturday night after he was accused by Ray Wood, Blaine street, and Edwin Le Graves, town of Plover, of complicity in the burglary on several occasions of the cottage of Mrs. M. N. Hughes in Phillips' Grove south of the city, pleaded guilty to a charge of burglary in Justice G. L. Park's court late Monday afternoon.

After questioning by District Attorney B. J. Carpenter, it is stated, he admitted his guilt and was immediately arraigned. After pleading guilty he was bound over to circuit court and in default of bail was remanded to the county jail, where Le Graves and Wood are now being held, they also having entered guilty pleas to burglary charges.

All three are soon to be brought before Judge Byron B. Park for sentence.

SON WILLED \$500 HE CAN'T BE FOUND

Portion of \$11,000 Rudolph Estate Goes to Missing Relative

Charles Sutton, address unknown, has \$500 waiting for him whenever he appears or is located, according to the will of his father, the late John Sutton of the town of Rudolph, Wood county, which was recently probated in county court at Wisconsin Rapids. The whereabouts of the man have been unknown for several years and all attempts to locate him have failed. The balance of an \$11,000 estate goes to the widow and the two other children. Mrs. Clara Kirkland of Arpin receives \$2,500 and John E. Sutton and Mrs. Sutton \$4,000 each.

TO GET WATCH BACK

Burglar Who Took Time Piece of Rev. N. L. Gross Is Arrested

Local friends of Rev. Nicholas L. Gross of Oshkosh will be interested in learning that he will recover a gold watch stolen from him several weeks ago, when a burglar broke into his sleeping room at St. Peter's parsonage.

A suspicious character was "picked up" by the police at Cleveland, Ohio, last week and a grip that he carried was found to contain a large assortment of watches and much jewelry, including the timepiece belonging to Father Gross and one owned by Rev. Alois Bastian, also of Oshkosh, and stolen the same night.

An exchange of correspondence between the clergymen and Cleveland officials will result in the valuables being returned within a few days.

ASSISTANT CASHIER OF MARATHON BANK TAKEN INTO CUSTODY

Roman E. Bauer of Marathon county, who until the first of the year was assistant cashier of the Merchants and Farmers State bank of Marathon, has been taken into custody charged with abstracting and misapplying money and funds of the bank and its depositors, and making false entries and false statements with intent to injure and defraud. Upon his arraignment in court at Wausau he pleaded not guilty and his preliminary examination was set for April 24.

WORK IS BEGUN ON NEW LIBRARY AT THE NORMAL

Final Plans Approved and Local Contractors Get \$16,000 Job

With a \$16,000 contract awarded to Otrich & Shropshire of this city, work on the new library at the State Normal building was commenced Tuesday. The job will be finished on or before September 1, giving Stevens Point one of the finest Normal libraries in the state.

The new library will be located in the Normal building on the second floor, occupying what was formerly the old assembly room. The old assembly hall has not been used for general sessions of students, since the new auditorium was completed, but a few classes have been meeting there.

Modern Equipment

The contract calls for changes in the ceiling, installation of stacks for books, desks, chairs and cork carpeting and other changes to the big room which will convert it into a modern school library. The work of erecting scaffolding preparatory to beginning the renovation was started Tuesday. The job will not interfere with the school program, being confined to the one large room.

Planned Since 1919

The Normal library job has been under consideration for several years but at no time until recently were school authorities able to carry their plans to the place where actual work could commence. With a \$16,000 appropriation available since 1919, difficulty was first experienced when all bids called for were found to be beyond that figure and consequently too high. Bids were again called for last fall and Otrich & Shropshire were among those bidding. But no contract could be awarded without the approval of Governor Blaine, who last fall in following out an economy platform refused to grant the necessary formal endorsement. This was secured a few days ago, however, and final arrangements for the job were made at Madison on Monday at a conference attended by President John F. Sims, Regent C. S. Orthman, State Engineer Mack, State Architect Peabody and George Shropshire, a member of the contracting firm which was the successful bidder.

Present Quarters Crowded

A new Normal library at the State school here has been badly needed for several years. With a steadily increasing enrollment, the present library quarters have been inadequate and crowded. But with the contract for the new library now awarded and actual work started, this problem will soon be solved as the job will be completed before the opening of the fall term of school.

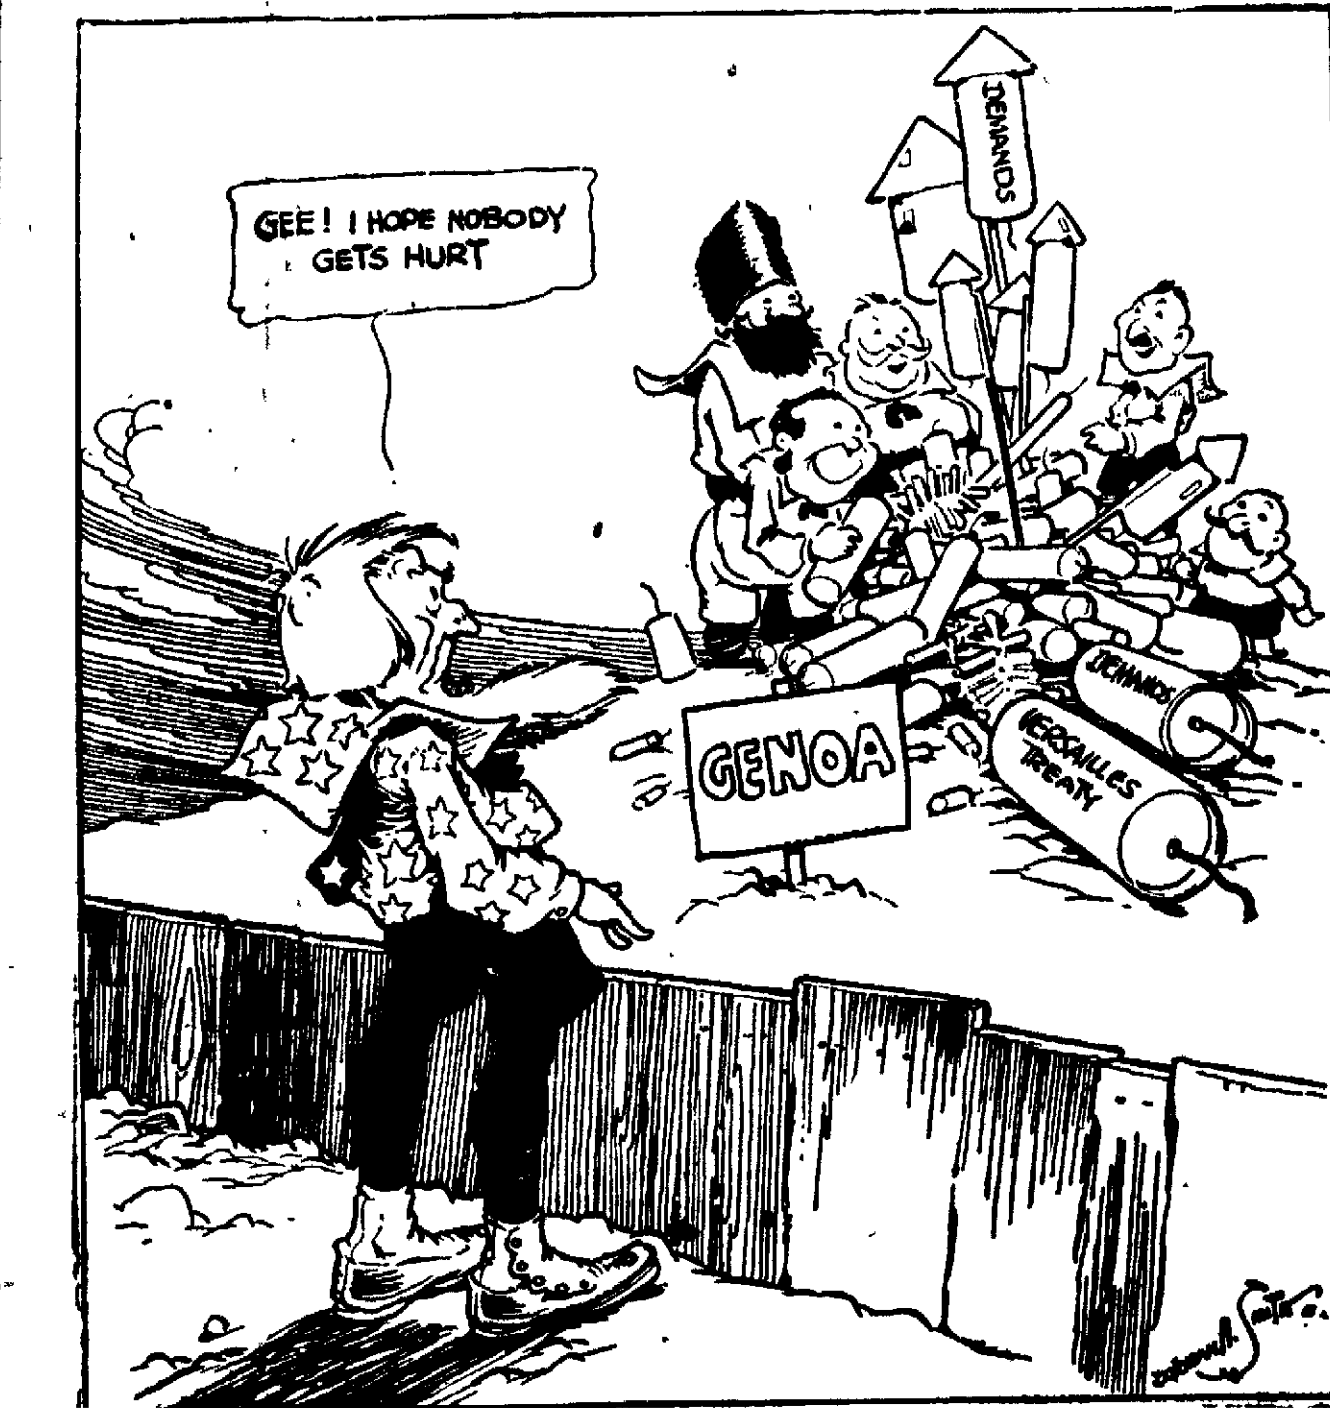

BIG FLOOD DAMAGE AT GILLS LANDING

Water Two Feet Above First Floor in Cottages Along the Wolf River

Although floodwater from the Wolf river at Gills Landing is receding, all hotels and cottages are still flooded to a depth of two feet over the first floor and several have toppled over. The damage will run into thousands of dollars. Furniture is floating about in water which has completely filled the first floors of cottages along the river front and residents who hastily moved into upstairs rooms get about outside by leaving windows and using ladders to climb down to row-boats. With the danger mark at six feet, the highest stage reached was nearly 11 feet.

Although the Soo Line right of way passes directly through the high water area, crossing the Wolf river at Gills Landing, no trouble has been caused by washouts. Extra men are kept along the danger stretch, inspecting the road bed and filling it in where the water washes out sand and gravel. The level of the water in Lake Winnebago and lagoons adjoining it reached the highest point in their history on Sunday and Monday. At no time, according to rivermen and others, has the level of the lake been so high as it is now. In the West Algoma district at Oshkosh the majority of buildings are surrounded by water but no extensive damage has resulted.

It Looks Safe and Sane—Fireworks Are Fireworks

ANTI-UNION RULING BY FEDERAL JUDGE NULLED BY ANOTHER

Case Taken Completely Out of the Hands of Judge McClintock by Judge Knapp, His Superior

Washington, D. C., April 18.—Injunctions of Federal Judge McClintock of Charleston, W. Va., ordering the abandonment of miners' tents in Mingo county, W. Virginia and preventing the United Mine Workers from taking steps to unionize these fields, were set aside here today by Martin A. Knapp, senior judge of the federal circuit court of appeals of the fourth circuit.

Judge Knapp at the request of the council for the United Mine Workers issued a supersedeas, taking the cases, which were instituted by the Borderland Coal corporation, completely out of Judge McClintock's hands.

CAN'T FORCE RUSSIAN TO GIVE TESTIMONY

As An Ambassador Bakhmeteff Is Immune, Secretary Hughes Says to Senate

Washington, D. C., April 18.—The United States government recognizes Bakhmeteff as Russian ambassador. "and as an ambassador he is not required to respond to process," Secretary of State Hughes today said in this definite notice directly to the senate, thereby finally crushing the attempt of the senate labor committee to subpoena Bakhmeteff in the hearing of alleged brutality of General Semenov, Cossack chief. It had been supposed the letter would go to Chairman Borah. Instead it was addressed to Vice President Coolidge, as head of the senate.

BANK CASHIER ROBBED

Looses Eleven Thousands at Hands of Two Colored Men

Kansas City, Mo., April 18.—H. C. Meador, cashier of the South East State bank, was robbed of \$11,754 by two negro bandits who forced him at the point of a gun to leave a Prospect avenue street car here today. Passengers and the crew of the car were held at bay with revolvers while they forced Meador to assist. The robbers escaped.

Families Fleeing Violent Eruption Of Mexican Crater

El Paso, Texas, April 18.—Families from Colima and Zapotland, Mexico, are fleeing to the open to escape violent eruptions of the Colima volcano, according to advices received here today. The volcano is reported to be sending forth columns of smoke by day and night, visible for 100 miles and is covering the valley around with dense smoke, vapor and ashes.

MARSHFIELD YOUTH DROWNED IN POND

Pulled From Water by Another Boy but Doctors Fail to Revive Him

Louis Kroll, 12 year old son of Mrs. Ida Timm of Marshfield, was drowned Saturday afternoon in a pond on North Central avenue in that city. Although he was in the water less than 10 minutes and prompt first aid was given by doctors, death resulted an hour later. Victor Rhoades, a 13 year old boy who was nearby, waded into the pond up to his armpits and pulled the Kroll boy from the water as he came to the surface a second time.

PROF. ROGERS OUT AGAIN

Prof. T. A. Rogers of the State Normal school faculty is able to be outside again after a long siege of illness with influenza and pneumonia. His condition was for a time critical, but he is now steadily regaining his health and strength. He is planning to resume his school work next Monday. Never before since he began teaching was Mr. Rogers compelled to miss a day in school because of personal illness.

MARATHON BOARD DECIDES TO RETAIN COUNTY AGENT

The county board of supervisors of Marathon county has decided, by unanimous vote, to retain the services of a county agricultural agent and home demonstration agent. At one time it was thought best to dispense with the services of these specialists, in order to economize in county expenditures.

SHIP WOOD COUNTY CATTLE TO GEORGIA

A carload of stock consisting of eighteen grade Guernsey cows and two young pure bred Guernsey sires has been shipped out of Wood county to Atlanta, Ga., by Maj. Mallett and H. C. Bates of that city who are making a purchasing trip through Wisconsin. The total value of the shipment was \$1,500.

FIVE BILLION DOLLAR COMBINE OF PACKERS THREE BIG ONES IN

Armour, Wilson and Cudahy Interests Join, Because Armour Has No Son to Succeed Him

Chicago, April 18.—The packers here today planned a \$5,000,000,000 merger, according to information in financial circles. Three of the "big five" packers may join the combination, according to plans now being worked out. They are Armour & company, Wilson & Co. and Cudahy Packing company. Confirmation of plans would place J. Ogden Armour as chairman of the board of directors and Thomas E. Wilson, as president.

The idea for a merger, it was reported, came from Armour who has no son to succeed him in the packing industry. Armour has picked Wilson to succeed him, but it was said to get Wilson, he must buy him out. There will be no public financing if the merger is completed, it was authoritatively stated.

RAPIDS MAN BOUND OVER

Defendant in Liquor Case to Appear Before Judge Park

Elmer Johnson of Wisconsin Rapids, arrested in March following the discovery of a still when a raid was made on his home, has been bound over to circuit court on a charge of violating the prohibition laws and will appear before Judge B. B. Park of this city. Similar charges against his father and a brother have been dropped. The still was found beneath a garage and mash was found buried in the yard.

TWO WOMEN KILLED BY SPEEDING ENGINE

Mrs. Leo Nash of Stamford, Conn., and her sister, Miss Edna Smith of Aurora, Ill., were instantly killed at Lakewood, N. J., last Saturday afternoon when their car was struck by a speeding locomotive. Leo Nash, husband of one of the dead women, is a former resident of Wisconsin Rapids. He is a brother of Guy and J. B. Nash of that city.

ROAD TO SHAWANO GOOD EXCEPT IN THIS COUNTY

Mr. and Mrs. J. M. Duell and Dr. and Mrs. E. J. Bibinger drove here from Wittenberg Sunday and visited a few hours at the home of the first named couple's daughter, Mrs. E. C. Wotruba. The trip was made over state highway 66 in less than two hours, all the road being in perfect condition except the four mile stretch between Jordan and this city.

ILLINOIS AND INDIANA HIT THE HARDEST

Farm Buildings, Business Places and Railway Depots Carried Away

Chicago, April 18.—Fifty killed and hundreds injured was the toll today of the cyclone which swept the middle west. A tornado cut a path of destruction through the flood stricken Mississippi valley. Indiana and Illinois were the hardest hit.

Property loss will reach several millions of dollars, according to reports coming over badly crippled wires.

High winds, accompanied by cloudbursts, raged through the area extending from Nebraska to Ohio and from the southern end of Lake Michigan to northeastern Arkansas. The winds added to the havoc already caused by the overflowing of dozens of rivers and streams in Indiana and Illinois.

Without Shelter

The inhabitants of scores of towns were left shelterless when tents erected on high ground, after their homes had been swept down the course of the river, were blown away and telephone and telegraph wires hurled together in a hopeless tangle. Miles of hard roads and railroad tracks were destroyed. Farm buildings, homes and railroad stations were carried away in the tornado.

Couriers from small towns risked their lives to go to the assistance of the larger communities. Many of these reported their localities were "nearly wiped out." The series of twisters originated in northeast Arkansas. Several miles of farm land were swept and the wind suddenly shifted.

All was calm when the fury hit Springfield and Centralia, midway Illinois. At Irvington, seven were buried to death. Every building at Irvington except an orphanage was destroyed. The Illinois Central station was carried away in the storm. A farmer's family at Centralia was blown from their beds and seriously injured.

The great fury of the storm was felt at Hedrick, Ill., which was wiped off the map. Eight persons were killed.

Springfield Suffers

Springfield was literally picked up and blown away. There were no reports of deaths, however. Many square miles of territory were devastated when the cyclone hurled eastward across the Indiana border. Snow and sleet covered Colorado, Kansas, Missouri and Iowa, followed by hail which caused great damage to property and crops.

Soldiers in Control

Attica, Ind., April 18.—National guardsmen patrolled the storm stricken west Indiana today, where 18 people lost their lives and scores were injured. Red Cross relief from Chicago was being administered and temporary shelter was being erected for hundreds made homeless.

CANNOT PREVENT RESIDENTS OF TOWN JOINING VILLAGE

Supreme Court Rules That Town of Kronenwetter Cannot Interfere

The Wisconsin supreme court has dismissed the appeal of the town of Kronenwetter in the case of its appeal from the decision of the circuit court in the proceedings of annexation of part of that town to the village of Mosinee.

The court is quoted as follows: "It appears clearly that the only parties interested in a proceeding involving the alteration of boundaries of a village are the residents and taxpayers of said village, the petitioners and owners of land in the territory to be attached or detached and the trustees and officers of said village. The interests of the town of Kronenwetter are not involved in contemplation of the provisions of the above statutes and such town, not being interested cannot be heard in opposition to such application, nor is it a proper party interested to authorize it to appeal from the order of the circuit court."

MCCORMACK WILL RECOVER LATEST WORD FROM SINGER

New York, April 18.—Another restful night has so strengthened John McCormack, Irish tenor, that his recovery from his serious illness is now practically assured, according to a statement today.

The End of Five Years' Work

The people living along the Arnott
road, and tributary to it, should vote
a medal to W. F. Collins, cashier of the
State Bank of Arnott, for his untiring
work for the Arnott road, at last crowned
with complete success. When Mr. Collins
began agitating for improvement of this
road, there was a good piece of roadway
from Arnott south to Maynard's Corners,
with exception of the last mile in the town
of Stockton which the town had ignored
for years. From a point a half mile
above the village there was no improvement
at all to the north. It took a lot of work
but finally the gap to the south was put in.
Now the town of Stockton has emphatically
voted to improve the road to the north
as far as Hunter's Corners, where it connects
with Road 18, and to do it this year.

In connection with the Custer-Po-
lonia road, and the Pleasant Valley
road in Buena Vista, to be completed
also this year, Arnott village before
the end of this season will have a
first class road to Custer, Polonia,
Stevens Point and Lanark church.
This will vastly benefit the village,
the farmers who do business there
and people of the city and of villages
other than Arnott who will find it a
convenient route across the central
part of the county.

The Jury Was Thoroughly Informed

In his effort to make it appear that
the American voters were deceived
concerning the League of Nations, Mr.
Cox will certainly fail. If there was
ever an issue upon which the people
were fully informed, the league was
such an issue. The discussion began
long before the opening of the cam-
paign of 1920 and in that discussion
the proponents of the league had a tre-
mendous advantage. They had control
of the federal administration with its
almost limitless agencies for reaching
the people. They had the advantage of
a natural tendency of the people to
favor any scheme that promised any
relief from the evils of war. They had
the support of a majority of the
occupants of pulpits and a large ma-
jority of college professors. They had
the advantage of the preferred space
always accorded by newspapers to any
addresses delivered by a president of
the United States. There were many
indications that they had the assist-
ance of ample funds provided by Amer-
ican or foreign advocates of the league
scheme.

In the face of all that, the opponents
of the league made a heroic effort to
disclose to the people of the country
the real nature of the league cove-
nant and the inevitable effect of mem-
bership thereon on the part of the
United States. Senator Harding, as a
candidate for the presidency, explained
his position repeatedly, showing
his desire to promote any movement
that will tend toward peace without
sacrifice of national sovereignty, but
objecting to various features of the
league. Mr. Cox repeatedly charged
Mr. Harding with evasion and, in a
final effort to leave no room for doubt,
Mr. Harding declared that the differ-
ence between himself and Mr. Cox on
the league issue was clear—that Cox
"favored going in and he favored stay-
ing out."

If the voters of the United States
did not understand the league ques-
tion and did not understand the ef-
fect of their votes at the polls in No-
vember, 1920, then they can never be
expected to understand any issue and
popular government must prove a failure.
Needless to say, the American
system of government is not so hope-
less as that. The facts of a case were
never submitted more fully and clearly
to a jury or argued more thoroughly
by lawyers than the facts and the
effects of the league question were
presented before the great jury of the
American people. No verdict was ever
rendered by any jury with a better
opportunity for reaching a just decision
than in the case of the verdict ren-
dered by the American voters in No-
vember, 1920.

Norman Dawes, Say Governors

Affairs in this country continue on
the mend. That the farmers are now
started on the road to normally pros-
perous conditions was the view of the
governors of the leading agricultural
states recently made public in New
York City.

Governor Harry L. Davis of Ohio,

advises: "Our department of agricul-
ture has made a survey of farm con-
ditions in Ohio. Ohio is in as sound
condition as any state in the Union.
Improvement in price of farm prod-
ucts and improved marketing condi-
tions have given Ohio farmers re-
newed hope and 1922 gives every in-
dication of being a more prosperous
year than the past. Ohio is in as
sound condition as any state in the
Union. We have turned the corner
and are going forward agriculturally,
industrially, and commercially."

Governor McCray of Indiana, ex-
claims: "Conditions are improved and
prospects brighter in Indiana. On the
whole, the outlook is good for an
early return to normalcy."

Governor Sprout, of Pennsylvania,
opines: "I feel that all conditions
point to better times for agriculture in
Pennsylvania. There may be some de-
lay due to disturbance incident to the
coal strike, etc., but I feel that much
better industrial conditions are im-
minent and that our farmers, being so
close to the markets, will benefit."

Governor Hyde, Missouri, declares:
"The corner has definitely been turned.
Missouri farmers being close to
three great terminal markets, Kan-
sas City, St. Louis and St. Joseph, have
been more fortunate than farmers
more remote from terminal markets."

Governor Trinkle, of Virginia, ad-
mits: "Agricultural conditions are re-
covering from depression to some ex-
tent. Farmers are looking forward
now as prices advance. The whole-
some effect of the late disastrous con-
ditions is shown in the farmers' deter-
mination to organize and practice busi-
ness principles in production and
marketing."

Governor Baxter, of Maine, predicts:
"I consider the agricultural situation
of Maine more favorable. The inquiry
for Maine farms is five times as great
as one year ago. Unquestionably the
business of farming will be very at-
tractive in Maine in the next ten
years."

Governor McKelvie, of Nebraska, as-
sures: "Nebraska has turned the cor-
ner and is now well on the way back
to normal and permanent prosperity.
The farm value of principle agricul-
tural products in Nebraska increased
\$65,357,000 between November, 1921,
and March 1, 1922. While the prices
for farm products have increased, the
prices of things for which these prod-
ucts must be exchanged have declin-
ed. . . . There is profit now in nearly
all branches of farming."

Governor Cox, of Massachusetts,

and Governor Russell, of Mississippi,
find conditions favorable in those two
states.

Delaying Spring Planting

The cold, wet "late" spring has de-
layed the spring plowing and plant-
ing considerably, the state crop re-
porting service declares.

Seeding of oats and spring wheat is
already a week late, and floods and
standing water in the eastern third
of the state have damaged many fields
of winter wheat, rye and grass. Jo-
seph Becker, agricultural statistician
of the department of crop reporting
said.

In some northern counties, the frost
left the ground only last week.

Seed corn is the only crop in the
state of which a surplus is reported.
Because of the lack of forage and other
grains, the condition of livestock is
only fair.

Shortages of potatoes are reported
in all except the northern and north-
eastern districts, seed oats and clover
is short in all sections, barley and
alfalfa is short in a few districts, and
seed peas are short in some northern
counties where they are needed.

JAMES SWEENEY DEAD

Early Day Local Resident Expires at

His Home in Fifield

James Sweeney, an early day resi-
dent of Stevens Point and whose wife
was a Stockton girl, Eliza Feely, sis-
ter of Michael Feely of that town,
died at his home in Fifield, April 7
and was buried last week Monday.
Mr. Sweeney was 74 years of age.
He was one of the first settlers in
the Fifield district and did more than
almost any other man to develop that
country. Mrs. Sweeney died in 1907
and surviving members of the family
are three sons, William, James and
Daniel Sweeney, all at home.

FORMER COUNTY EDITOR

BECOMES INSURANCE AGENT

David E. Thompson of Madison, a
former editor of the Portage County
Press at Almond, has resigned a posi-
tion with the Fuller & Johnson com-
pany at Madison to become the rep-
resentative for Banc county, of the
Central Life Insurance company. Dur-
ing the war Mr. Thompson was head
of the accounting department of the
Northern Iron Ordnance company. Be-
fore that he was editor of the Almond
Press and earlier of the Grand Rapids
Reporter.

Etiquette of Sealing Wax.

In the days when all correspondence
was sealed there was etiquette about
the use of sealing wax. Royalty would
give some favor to counter the seal
right to use a certain colored wax,
and officers of the state would each
have distinguished colors, in much the
same way as staff officers of the army
wear colored tabs nowadays.

SOUTH SIDE
INCLUDED IN
NEW ROUTINGChamber Board Works Out
New Plans for Chang-
ing Trunk Lines

(From Thursday's Daily.)

Two state trunk highways passing
through Stevens Point will continue
to go through the South side busi-
ness district, two will go past the
new hotel and three past the Stand-
ard Oil company's new filling station
if a re-routing endorsed by the Cham-
ber of Commerce board of directors
Wednesday afternoon meets the ap-
proval of the state highway commis-
sion.

The board, in taking up the ques-
tion of re-routing the trunk lines, acted
upon public opinion which had
expressed by many residents in the
section affected following interviews
on the part of the Journal. The
changes now submitted will be rec-
ommended in preference to a re-
routing plan proposed last week
which unintentionally excluded the
South side from two of the routes.

Changes on No. 66

Road No. 66, under the arrange-
ment approved Wednesday, will en-
ter the city via North Michigan ave-
nue instead of North Fremont street,
turn west on Main street, continuing
as far as Church street, then turning
past the Standard Oil station and
on the South side and beyond to the
city limits. No. 66 now turns over
onto Clark street at Reserve, going
south at Clark and Church.

It is proposed to have Road No. 10,
which enters the city on North Sec-
ond street, run east on Main street
from the public square to Strongs
avenue, south on Strongs to Clark
east on Clark to Church and then
south on Church, doubling the route
of No. 66. No. 10 now follows Nor-
mal avenue from North Second to
Main and east on Main to Church and
follows that street.

Proposal for No. 18

Highway 18, under the new plan,
would continue to enter the city on
its present routing from the east,
coming in on Main street. But in-
stead of turning over to Clark street
at Reserve as it does now, it would
continue west on Main street as far
as Church, then south on Church to
Clark and west on Clark across the
bridge.

If this routing for the three high-
ways is approved, two of them, Nos.
18 and 10, will run past the hotel on
the Strongs avenue corner, while all
three will go past the Church and
Clark street corner, which the Stand-
ard Oil company was induced to ac-
cept as a location for its filling sta-
tion instead of the Hardware Insur-
ance corner at Clark and Strongs.
As the three trunk lines which serve
Stevens Point run past the Standard
Oil corner where the station was built
it was felt to be unfair to reroute any
of them to miss this corner, which
would have occurred under the plan
as proposed the past week.

Take in South Side

With the two routes which now
serve the South side business district
continuing to do so under the new
plan, the Chamber directors believe
that the changes will meet with the
approval of all. Further suggestions
are invited, however, it being their
desire to make final recommendations
only after full expression of public
opinion has been made. The plan
which was objected to last week pro-
vided for the re-routing of Nos. 10
and 66 down Strongs avenue to Mon-
roe street and then over to Church,
instead of down Church through the
South side business district.

Although Road 18 will not go
through the downtown business dis-
trict under the changes now propos-
ed, it will run within a block of that
section, turning at Church and Main.
Tourists coming in from the east
will easily see the business district
when reaching the Church street cor-
ner and it will be convenient for
them to leave the trunk line at that
point if they desire to drive into the
business section.

BUILDING NEW STORE
AT AMHERST JUNCTIONFrank Sroda and Sons Are Replacing
the One Recently Destroyed

by Fire

Frank Sroda and Sons, whose store
building and contents at Amherst
Junction recently burned to the
ground, have commenced work on a
new structure, 25x60 feet, one story,
of solid brick over stone and concrete
basement walls.

It will be as nearly fireproof as
possible and of neat design, with large
plate glass windows in the front or
south end. Messrs. Sroda expect to be
ready to wait on customers with a
complete stock of general merchandise
in about two months. They are now
retaining a line of groceries from one
of their warehouses and also handle
flour and feed.

The fire of a few weeks ago caused
them a net loss of \$4,000 above the
\$10,000 insurance which they carried.

THE LAST SAD RITES

Body of William E. West Is Laid To

Rest on Thursday

The body of William E. West, vet-
eran 800 line passenger conductor,
who succumbed to a stroke of paral-
ysis last Monday evening, was laid to
rest in Forest cemetery Thursday af-
ternoon. Following a prayer at the
family home, 314 Oak street, the re-
mains were taken to the Baptist
church, where services were conducted
by the pastor, Rev. James Blake.

The auditorium of the church was
well filled with sorrowing relatives
and friends, who were deeply impres-
sed by the sermon of Rev. Mr. Blake,
who referred feelingly to Mr. West's
long and honorable residence in Stev-
ens Point and his lengthy period of
service as a railroad worker. He up-
right character and spoke tender
words of consolation to the relatives
who are left to mourn.

Those who bore the casket to the
grave in Forest cemetery were all
close personal friends and fellow rail-
road workers of the deceased: John E.
Leary and George J. Bynah, Stevens
Point; Thomas Bergin, Minneapolis;
Ed. Regan, St. Paul; A. E. Roach, For-
est Park, Ill., and H. Swartz, Chicago.
Mr. Roach and Mr. Swartz are 800 line
brakemen and worked in the same
train crew under Mr. West.

Relatives and friends from a dis-
tance who attended the funeral in-
cluded William West, Detroit; Mr. and
Mrs. Myron West and three daughters,
Mrs. John Jena, Everett Jackson, Ed.
Ferrell and Otto Reinke and daughter,
Fond du Lac; Dr. and Mrs. Harold
Playman, Appleton; Dr. Harold West,
Almond; Ed. Premo, Coloma; James
Harvey, Chicago, and John Peterson,
Amherst. There was a large delega-
tion of local railroad men, old friends
of Mr. West.

WOOD COUNTY MAN
SUES FOR \$15,000Member of Board of Supervisors Al-
leges Slander by Resident
of Sherry

Suit was instituted Saturday by C.
E. Brier, of Wisconsin Rapids in be-
half of Harry Thomas, member of the
county board of supervisors of Wood
county and town chairman for Sher-
ry, against Matt Goetz, Sherry man,
alleging slander and seeking damag-
es amounting to \$15,000.

Three counts are charged against
Goetz by Thomas, who stated that he
did not want the money, but did want
to stop false statements made against
him by the defendant, and make him
prove his statements.

The suit is an outgrowth of the at-
tempt on the part of Bert W. Gates,
Goetz and other Sherry people to un-
seal Thomas. It is alleged that
Goetz made slanderous remarks con-
cerning Thomas' activity on the high-
way committee and is said to have
accused Thomas of accepting bribes
for working for concrete roads in
Wood county, while circulating a pe-
tition in Sherry asking his resigna-
tion.

LUMBER INTERESTS
SOLD FOR \$100,000Upham Company Property Purchased
by Three Residents of
Marshfield

The lumber yard, mill and power
plant of the Upham Manufacturing
company at Marshfield has been pur-
chased by Miss N. E. Dickinson, E.
A. Upham and W. F. Cummings for
\$100,000 and starting next Monday will
operate under the new management.
The new firm will be known as the
Marshfield Lumber company.

The purchase includes all the prop-
erty of the Upham company with the
exception of a furniture factory. Miss
Dickinson, one of the incorporators
of the new firm, has been with the
Upham company for a number of
years.

TWO FIRES OVER WEEK-END

GIVE FIRE LADDIES WORK

Shingles in the Jesse Schmidt
home, 414 Patch street, caught fire
Saturday afternoon and both compan-
ies of the fire department were called
out. The blaze was extinguished be-
fore much damage had been done.

Another call was sent in Sunday
from the Krombs building at Main
and South First streets and this fire
was also put out before much loss re-
sulted. The upper floor in this
building is used as a club room and
it is probable that a lighted cigar-
ette, thrown among a pile of wood,
set the floor afire. Chemicals were
used in extinguishing this blaze.

TO PLANT 1,000 PINES

IN NORTHERN WISCONSIN

The community clubs of Meadow
Brook and Chisna near Condeary in
Sawyer county are making prepara-
tions for planting 1,000 white pine
trees this spring, which they will re-
ceive from the state forestry service
at Madison. Most of the trees must be
planted in parks at those two places
and a few will be distributed to set-
tlers.

DRIVING WHEN DRUNK
PUNISHED BY COURT
WITH JAIL SENTENCEAugust Jakusz Given Fine of \$15 and
Six Days in Jail By Judge
Owen in County
Court

August Jakusz, city, was found
guilty in county court before Judge
W. F. Owen Thursday, of driving
a car while intoxicated.

Judge Owen assessed a fine of \$15
and costs of \$35.75, and sentenced
Jakusz to spend six days in the coun-
ty jail in addition. If the defendant
does not pay the fine and costs and
does not appeal the case, he must
spend an additional 30 days in jail.

Jakusz was arrested over a week
ago on a charge of driving while in-
toxicated following a disturbance,
which, the police state, was caused
by Jakusz and a party of friends
whom he had driven to the grounds of
the Stevens Point Water company
north of the city on the Wisconsin
river. The efforts of three policemen
were afterwards needed to effect Jak-
usz' arrest at a Fifth avenue home,
it is stated.

He pleaded guilty and was fined
first on a charge of being drunk and
disorderly, and then was arrested on
the charge of driving while intox-
icated. He pleaded not guilty to this
charge on his arraignment.

CONCRETE ON NO. 18
BUT LITTLE DAMAGEDOne Section Has Sagged and Crack-
ed by Rip Rap Remains
Intact

With the exception of a sag in one
section of the concrete stretch west
of the city on No. 18, the highway
appears to have stood up without
damage under floodwaters from the
Wisconsin river which poured over it
for a week.

The sag, which has occurred at a
point a short distance from the east
end of the concrete and where the wa-
ter passing over it was not nearly as
deep or swift as at other places on
the road, is not serious and will not
interfere with travel. A long crack
also runs through the section affect-
ed.

The concrete road could be safely
traveled with cars or other vehicles
today. Three or four inches of water
are still running over it in the deep-
est places but fully half of the dis-
tance which was inundated is now
dry. There is still a big waterfall at
the turn in the road about half way
across the concrete at the place where
the ditch on the lower end of the
road is the deepest. Other cracks
have occurred at different places in
the highway but they are not believ-
ed to have been caused by high water.

But little damage was found to
have resulted to the rip rap, which
bore the burden of the flood on the
lower side of the road. This re-in-
forcement remains intact and no sec-
tion of it was washed away.

Amherst for shipment. There were
70 cows in all, the largest single
shipment of high grade stock ever
leaving Amherst.

MARSHFIELD MAN GETS

PARDON FROM BLAINE

Clarence Kotas of Marshfield, sen-
tenced to the county jail for a term
of one year for contributing to the
delinquency of a Marshfield girl, has
been pardoned by Governor John J.
Blaine. Kotas has served eight of
the 12 months. The application of
Mortimer Wilson for commutation of
sentence or a conditional pardon so as
to permit of his parole during the
time he would be under the supervi-
sion of the state has been held open
for further consideration by Governor
Blaine. Wilson is a Wood county
man now in the state penitentiary at
Waupun.

GREEN LAKE COUNTY
GROWING SOY BEANSPrinceton Republic Tells of Their
Value as Substitute for
Clover

"The demand for soy beans for hay
in Green Lake county this year is
much greater than it ever has been
in the past," says the Princeton Re-
public. "Shortage of clover acreage
has been a big factor in the increased
demand for this legume. Consider-
able winter killing has taken place in
some clover fields, and the shortage
caused in this manner, together with
the failure of new seedling last year,
has caused serious trouble on a num-
ber of farms where clover has been a
part of the dairy ration."

Almond Girl a Bride

A pretty wedding took place at the home of the bride's parents, Mr. and Mrs. Charles Rath at Almond on Wednesday afternoon when their youngest daughter, Miss Minnie Rath, became the bride of Lemoreaux Engle. Rev. H. T. Felt, pastor of the German Methodist church, performed the ceremony.

The couple were attended by Miss Rita Engle, a sister of the groom, and Harley Munroe, a friend of the groom. A three course dinner followed the ceremony. The bride wore a gown of Harding blue taffeta and carried a bouquet of Easter lilies.

The groom is a son of Mr. and Mrs. Nick Engle of the town of Hancock, Waushara county. He owns a farm there, where he and his bride will reside. Mrs. Engle is one of Almond's best known young women.

"Neighborhood Day"

The Woman's club of Amherst Junction observed "Neighborhood Day" in the Amherst town hall last Thursday. About 30 members were present, each member bringing a neighbor. Lucille Berard, county supervising teacher, and County Superintendent Alice M. Gordon, were present.

Pleasant recitations were given by the pupils of the Amherst Junction graded school, under the direction of Principal Irene Morrow and Miss Blanche O'Connor.

The following program was given, following the business session:

- Roll call, responses with literary selections.
- "History of the Woman's Club," Mrs. Steinke, secretary.
- "Neighborhood Day," Mrs. Demach.
- Original song, "Our Club," Mrs. Ward.
- Talk, Miss Gordon.
- Community singing.
- "Sunshine" collection.

A framed "Roll Call," painted by Miss Eleanor Domach, was presented to the club by Mrs. G. Starks, president.

Refreshments were served.

Engagement Announced

The engagement of Miss Madeline Clementine Mieding and Edward A. Long, both of Chicago, was announced by Mrs. Rudolph H. Mieding, mother of the bride-to-be, in the Chicago Tribune Sunday. The announcement was accompanied by a picture of Miss Mieding, who formerly resided in Stevens Point, her father at that time being the owner of a drug store here.

Junction City Meeting

The Parent-Teachers' association of the Junction City school met at the school house last Wednesday.

A short program was given by the pupils of the graded school under the direction of the principal, Miss Anna Pufahl, and Elizabeth Tayer and Pearl Akey, teachers.

County Superintendent of Schools Alice M. Gordon spoke, urging members to promote hot lunches in the school and asking the women to discourage the practice of allowing four and five-year-old children to enter school. "There is no kindergarten in Junction City, and pupils should be six years old before entering the first grade," Miss Gordon stated.

Through the efforts of the association, electric lights have been installed in the school house. Plans are now under way to purchase a projector to be used in showing pictures at community meetings.

Mrs. William Ariens is the president of the Junction City association.

Married at Oshkosh

A quiet wedding was solemnized at Oshkosh recently when Miss Ethel Redlin, daughter of Mr. and Mrs. Charles Redlin of Onro, became the bride of Henry Leinhard, son of Mr. and Mrs. Jacob Leinhard of Belmont, Portage county.

The ceremony was performed at the German M. E. parsonage in Oshkosh by Rev. Mr. Wiese. The bride wore a gown of blue taffeta and carried a shower bouquet of roses. Miss Vida Redlin, sister of the bride, was bridesmaid and wore brown tulle and also carried roses. Raymond Huntington of Oshkosh was best man.

The couple left for Almond shortly after the ceremony and will be at home on the Jacob Leinhard farm east of Almond.

Marriage Licenses

Two applications for marriage licenses have been received at the office of County Clerk A. E. Bourn. The coming weddings will be between Paul J. Pawloski, Eau Claire and Ruby Barber, Eau Claire; Hans Balstad, Amherst, and Emma Hiller, New Hope.

Soon to be Married

The engagement of Cornelius J. Quinn, a nephew of Mrs. Jerry Bellahan and Geo. Quinn of this city, to Miss Leona Marie Weyenberg of Menasha has been announced. Mr. Quinn, who now lives at Neenah, is an ex-convict man, having served three years as radio officer on large transports during the World war.

Engage Local Singer

"The Message Eternal," a sacred cantata, will be given at Iola next Sunday evening under the auspices of the Norwegian Lutheran church of that village, and the following Sunday it will be repeated at Rosholt. A. J. Miller of this city has been assigned a tenor soloist part and will assist in both entertainments.

PORTAGE COUNTY COURT.

STATE OF WISCONSIN, ss. PORTAGE COUNTY.

In the Matter of the adoption of Dolores Mocogni, an infant under the age of 14 years.

Whereas, A petition in writing by Kate Loss Mocogni for the adoption of Dolores Mocogni, an infant, child of John Mocogni and Nell Mocogni, both deceased, has been filed with this Court; and

Whereas, W. F. Owen, County Judge, has consented to the prayer of said petition, according to the laws of this State, and that the consent of the adoption of said Dolores Mocogni by the parent of said infant, can not be obtained;

It is Ordered, That said petition be heard before this Court, at a special term thereof to be held in its court rooms, at the Court House in the City of Stevens Point on the Third Tuesday of May, A. D. 1922, at 10 o'clock A. M. or as soon thereafter as the same may be reached on the calendar.

And It is Further Ordered, That notice of said petition and hearing be given to said child's nearest relatives, the parents of said child being deceased, parent of said infant, by personal service of this notice on said Crystal Lane, a married sister and next of kin, parent of said infant, at least ten days prior to said hearing, or by publishing a copy of this order for three successive weeks, once in each week, in the Gazette and Stevens Point Journal, a weekly newspaper printed in said County of Portage prior to said hearing.

Dated this 18th day of April, 1922.

By the Court.

W. F. OWEN, County Judge.

OBITUARY

Richard Gross

Richard Gross, one of Portage county's oldest and best known citizens and a resident here for nearly sixty years, passed away at his home on Shaurette street, just east of Strong's avenue, at 3:40 p. m. Thursday. While Mr. Gross had been in poor health for a number of years, he suffered from no particular ailment and death was the result of general debility incident to age.

Mr. Gross was a native of Lorraine province, at that time a part of France but which later became a German possession, and remained as such until the outcome of the late World war, when it again reverted to the French republic. His birthplace was the town of Kohlhausen and the date Sept. 18, 1845, making him 76 years of age last September.

When he was twenty years of age the Gross family emigrated to America, stopping at Buffalo a few months and then coming to the wilds of Wisconsin and locating on a tract of land in the town of Sharon, this county.

The deceased, who was the oldest of the Gross children, shortly afterwards began work as a farm laborer for M. C. Slutta in Stockton and later was employed in like work near Nelsonville. Accumulating a small capital, he invested in a tract of unbroken land on what is now highway No. 15, town of Stockton, and eventually developed one of this county's best farming properties. Before purchasing this property, in 1867 or '68, Mr. Gross was married to Miss Lena Koltz and to them eight children were born, six of whom have passed away. Two daughters passed away after reaching maturity and three children, all quite young, died within a week's period, victims of a diphtheria epidemic. Those surviving are Mrs. Margaret Bungert of this city and Mrs. Ray Leary of Marmarth, N. Dak.

Mrs. Gross's death occurred twenty years ago last September, shortly after which the widower sold his Stockton property and moved to this city. He was again married a couple of years later to Miss Pauline Myers, and their home has since been at 1005 Shaurette.

Other near relatives are four brothers and a sister, Nick, Victor and Alois Gross of this city, Henry Gross now at San Diego, Calif., and Mrs. Christine Khell of Walsh, Marinette county. Mrs. Leary and Mrs. Khell are expected to come here for the funeral.

Soldier's Remains Come

After a delay of more than two weeks beyond the time of its expected arrival here, the body of Poe Leo Ossowski, a soldier who made the supreme sacrifice on the French battlefield, reached Stevens Point on a Soo line train early Thursday and was taken to his parents' home northeast of this city.

The remains of several thousand soldiers which had been disinterred from French burial grounds arrived in Brooklyn the latter part of March and early last week 300 bodies were shipped to Chicago and from there transferred over various railroads to their destinations, each in charge of a regular army man from Fort Sheridan.

Joe Leo Ossowski enlisted at Duluth shortly after the United States entered into the World war and was a member of the first contingent sent overseas. He was later transferred to Co. 4, 30th infantry, a regular army unit, and was killed in action.

Frank Pike

Another member of the Old White school association has answered the final roll call. Frank Pike passing away at St. Michael's hospital early Friday morning. He was a patient less than two days, having gone to the hospital Wednesday afternoon.

Mr. Pike returned the Saturday before from Rochester, Minn., where he was a patient of the Drs. Mayo for three weeks, one of his kidneys being removed at the hospital in that city. Further surgical work was suggested by the staff of surgeons but as there was only a slight chance of his physical condition being improved Mr. Pike declined. He failed quite rapidly after his return here but retained his mental faculties until a few hours before his death.

Mr. Pike was a native Stevens Point-er, born here 61 years ago the 17th of next June and this city had always been his home, although for a period of nearly 20 years he conducted a farm near Ashley postoffice, just north of the Portage county line, spending the growing seasons there, where he maintained bachelor quarters. His health began to fail three years ago, when he sold the Marathon county property and had since been at his mother's home on Normal avenue.

During his boyhood days he attended the Old White school and other city schools, acquiring a good education. His business interests were confined largely to lumbering and logging, he being associated for more than 20 years with W. W. Mitchell. Although of a quiet, unassuming nature, he formed many strong friendships.

Surviving relatives are his mother, Mrs. Anna Pike, 422 Normal avenue, now in her 94th year, and two sisters, Mrs. Chas. Goodrich of Flint, Mich., and Mrs. Kate Morgan of Coperville, Wyoming. Mrs. Goodrich reached here on an early train Friday and may remain for several weeks.

Attended Brother's Funeral

Mrs. Elvie Formella and Mrs. Thos. Winkler have returned from Aberdeen, Wash., where they attended the funeral of their brother, Geo. W. Makurath, a long time resident of that city, who died early in March and was buried at Aberdeen.

Mr. Makurath's wife passed away a number of years ago, since which time he had lived alone. A visitor at his home on March 4th found that he was recovering from an attack of influenza but it was not until several days later that a neighbor who had become alarmed over his non-appearance went to the house and discovered that Mr. Makurath was dead. Indications were that he had taken a bath, straightened up his room and laid down to sleep, and that death came painlessly as there was no sign of restlessness or struggle. The deceased would have been 56 years of age April 22.

Besides the two sisters above named he also leaves another sister, Mrs. Joseph Worzalla of the town of Carson.

S. E. Kellar at Rest

The mortal remains of Stanley E. Kellar were placed beside his wife and daughter in Forest cemetery this morning. Rev. R. A. Barnes of St. Paul's M. E. church offered prayers at the Boston undertaking chapel and also officiated at the graveside. Mr. Kellar, who was an early day resident of this city, an uncle of Clarence Kellar and a brother-in-law of Adam and Fred Kuhl, passed away at New Rochelle, New York, last Sunday morning.

Edward Erickson

Edward Erickson, the father of fifteen sons and daughters, died at his home, 527 Main street, at 5:30 o'clock Saturday morning.

Mr. Erickson was 82 years of age the 22nd of last November and Porsgrunden, Norway, was his birthplace. He was twice married, the first time in his native land. His wife died a number of years ago, leaving the husband and seven children. His second marriage was to Miss Andrea Halverson at Sheboygan, Wis., and to them were born eight children.

For more than 35 years the Erickson family lived on a farm near Wittenberg but disposed of their property last fall and moved to this city in September. For several years the husband and father was in very poor health, suffering with Bright's disease and other infirmities, but his condition was serious only since the first part of March.

Surviving are the widow and the following children: Chas. Erickson of Mississippi, Edward of Idaho, James of Montana, Otmes of Ironwood, Mich., Mrs. E. J. Songstad, Mrs. Isaac Isaacson and Mrs. Martin Anderson of Milwaukee, Mrs. Nels Nelson of Manitowoc, Mrs. Otto Kamm of Oshkosh, Mrs. Alex Nielson of Brooklyn, N. Y., Mrs. O. A. Anderson of Laona, Florence, William and Bennie, at home, and Beatrice of Chippewa Falls.

Mrs. Doolittle is Dead

Mrs. Benjamin Doolittle, a lifelong resident near Liberty Corners, town of Buena Vista, died Saturday morning at the W. M. Scribner home, 114 Center avenue this city. Mrs. Doolittle came to visit the Scribner family and receive medical treatment for heart trouble the latter part of March, remaining a couple of weeks and returned here again last Wednesday. She had been in poor health for upwards of six years but was able to be about the house nearly all of this time.

Ivin Onan was a daughter of the late Mr. and Mrs. Warren Onan, pioneers of Buena Vista, and she was born in that town 42 years ago the 13th of February. She was married there about twenty years ago to Benj. Doolittle and they were the parents of two sons and two daughters, Philip, Beth, Myrna and John, the youngest eight years of age.

Deceased also leaves a married sister in Minnesota and one brother, William Onan, who operates the old home farm.

John L. Mocogni

John L. Mocogni, a resident of Stevens Point for more than 30 years, coming here from his native land, Italy, when still a boy, died at his home, 775 Water street, at 4:30 o'clock Friday afternoon.

Although Mr. Mocogni had been poorly for a long time, his illness became serious only a week ago, since which time he was confined to bed. Death resulted from heart trouble.

Born in Bianco, Italy, 51 years ago in March Mr. Mocogni lived there until he was 17 years of age, when he came to America and almost directly to Stevens Point. Except for a few years, this city had been his home ever since. He was twice married, his first wife being Miss Nellie Bobbe of Helena, Mont., and they were the parents of two daughters, Mrs. Chas. A. Lane and Dolores Mocogni. Mrs. Mocogni passed away ten years ago and on the 27th of August, 1918, the widower was married to Miss Kate Loss of this city.

Mr. Mocogni was one of this city's first moving picture operators, being employed by N. B. Hackett when the latter conducted the Ideal theater here. He afterwards worked for G. W. Andrae but of late had been employed at the South Side bakery, of which his brother is one of the proprietors.

Surviving relatives are the widow and daughters, his aged mother and two sisters in Italy, one brother Pet-

er Mocogni in this city, another brother in Boston and two sisters at Franklin, N. H.

Baby Boy Dies

Mr. and Mrs. G. W. Andrae mourn the loss of a baby boy, who died several hours after its birth, Wednesday morning, April 12. The little child was buried that afternoon in Forest cemetery. Rev. E. Croft Gear officiating at services held at the home at 541 Clark street.

Many Pay Last Respects

There was a large gathering of old friends and former neighbors at the Pike home on Normal avenue Sunday afternoon to attend funeral services for the late Frank Pike, native Stevens Point-er and one of its upright citizens. Passages from the scriptures were read and a prayer offered up by Rev. Charles Sumner Pier of the Presbyterian church, who also eulogized the deceased briefly. "Rock of Ages" and "Abide With Me" were sung by Harold S. Dyer, A. J. Miller, Miss Irene Scribner and Mrs. Dyer.

The remains were taken to Union cemetery and laid to rest in the family lot. Pallbearers who consigned their old friend to the grave were W. F. Parker, Alcey Bergholte, C. F. Martin, E. W. Neumann, Lon Myers and Sigmund Green.

Funeral of Mr. Mocogni

Rev. E. Croft Gear, rector of Church of the Intercession, officiated at John L. Mocogni's funeral, held from his late home on Water street at 2:30 Monday afternoon. The body was then consigned to earth in Forest cemetery by F. O. Hodsdon, J. D. Swan, Wm. Gee, Thomas Brown, C. W. Simonson and Harry Cartmill, Sr.

Walter Treanore

Walter Treanore, for several years a clerk at the Arlington House on Strong's avenue but who moved from here to Fond du Lac quite a few years ago, passed away in that city Sunday morning, aged about 50 years. Funeral services were held at St. Patrick's church, Fond du Lac, early Tuesday morning, and the body then placed aboard Soo train No. 11 for shipment to this city. Interment was made directly from the train, in St. Stephen's cemetery.

Rev. T. J. Cosgrove, pastor of St. Patrick's, Vincent O. Treanore of Ripon and Mrs. John Ray of Oshkosh, brother and sister of the deceased, will accompany the remains here.

Walter was the younger son of William M. Treanore, who conducted an upholstery shop in Stevens Point some 20 years ago but who later moved to Abbottford and died several years ago. The father's body was also brought here for burial and Walter was laid beside him.

Mrs. Catherine Friday

Living to the ripe old age of nearly 95 years, the infirmities incident thereto and an attack of pneumonia proved fatal to Mrs. Catherine Friday, who passed away at the home of her son, Michael Friday, 203 Washington avenue, at midnight on Friday.

The remains were laid to rest in St. Peter's cemetery Monday morning, following services by Rev. V. Hoppa at St. Peter's church at 9 o'clock. Six grandsons of the deceased, Max, August, Val, John, Ed and Archie Friday, served as casket bearers.

Mrs. Friday was born in German Poland 94 years ago the 25th of last November and was married in her native land to Frank Friday. In 1862 the family emigrated to America, landing in Canada and for four years were residents of Kitchener, Ontario, but which town at that time bore the name of Berlin.

They then crossed the border to the United States, making stops of a few months each at Milwaukee and Berlin before coming to Portage county and settling on a tract of timber land in the town of Hull.

The husband and father died 32 years ago the 24th of February and practically all of the time since then the widow lived with her children in this city. Those surviving are Michael and Mrs. Mary Kieliszewski of Stevens Point and Harry Friday of Menominee, Mich.

William Tobin Funeral

Burial services for the late William Tobin, who died at Great Falls, Mont., a week ago last Saturday, were held at St. Stephen's church Monday a. m. at 10:15 o'clock. Rev. James C. Hogan officiating. The body was then taken to the family burial lot in Lanark cemetery for interment beside his parents.

Friends and former neighbors of Mr. Tobin who served as casket bearers were James Cooney, James McGigue, Joseph Sweetela, William Dougherty, W. C. Atkinson and George McGinley.

Body Buried Here

The remains of Walter P. Treanore, who died at Fond du Lac Sunday, were brought here on Soo train No. 11 at noon Tuesday, laid to rest in St. Stephen's cemetery, prayers being offered at the grave by Rev. T. J. Cosgrove of Fond du Lac, who accompanied the mourners to this city. Others in the party were Vincent O. Treanore and daughter, Miss Eleanor of Ripon, Mr. and Mrs. John Ray of Oshkosh and Mr. and Mrs. William Webb of Fond du Lac.

Mr. Treanore is a brother and Mrs. Ray a sister of the deceased. Walter Treanore had been an employee on the Webb dairy farm near Fond du Lac for 17 years.

Local pallbearers were M. Cassidy,

James Welch, A. J. Cunneen and John W. Glennon.

Edward Erickson Buried

Funeral services for Edward Erickson were held at his late home on Main street Monday afternoon. Rev. James Blake officiating, and interment followed in Forest cemetery. Those serving as casket bearers were Alf Anderson, Jas. P. Glennon, M. J. O'Brien and Geo. Lovejoy.

RAPIDS MAN HURT WHEN CAR TURNS ON SIDE ON ROAD

Machine Leaves Wheels With Him Riding On Running Board

(From Monday's Daily)

Adolph Zanow, Wisconsin Rapids, is a patient at St. Michael's hospital in a serious condition, following an auto accident on Highway No. 10 four miles north of the city early Sunday afternoon.

The Ford sedan in which Zanow and a party of Wisconsin Rapids people were driving to Wausau, turned on its side while Zanow was standing on the running board, attempting to adjust a glass window in a door in the side of the car.

No Others Injured

Zanow was pinned beneath the car. He is injured seriously, internally, and he has bruises and cuts on his face and on one leg. No other member of the party was injured.

The machine which turned over was the property of Jack McGrogan, also of Wisconsin Rapids. Besides Zanow and McGrogan there was one other man and a young woman in the car. Their names were not learned today.

The party of Wisconsin Rapids people arrived in Stevens Point in the sedan on their way to Wausau at 12 o'clock Sunday. They left here at 12:30 on the trip north, and had left the city limits but a short distance behind when Zanow got out of his seat in the car, and stepped out on the running board, closing the door of the machine behind him. The young woman was driving the car, at a rate of speed judged by Zanow today to have been between 15 and 20 miles an hour.

Falls on Body

While he was attempting to close the glass window in the door of the sedan, the car tipped over on the side on which he was standing. Almost the entire weight of the upper portion of the machine fell upon his body, on the upper part of his abdomen. It dragged along for a short distance before finally coming to a stop.

Crawling out of the machine, the three other members of the party, not being injured, lifted the car off their companion's body. A car driven by Frank Kubisiak, coming into the city, was stopped and Zanow placed in it. On the way to the city, Dr. R. B. Smiley, who was going north on Highway 10 to make a call, was met and the injured man placed in his car. He was immediately taken to the hospital.

Examination of the physician found that although no ribs or bones were broken, Zanow was seriously hurt internally. He vomited frequently during the night. He was reported little changed in condition by Dr. Smiley this afternoon.

11 WOMEN'S NAMES ON MAY JURY LIST

Five Are Residents of Stevens Point And Mrs. C. B. Baker's Is The First Drawn

The name of eleven Portage county women, five of whom are residents of Stevens Point, were drawn in the list of circuit court jurors to serve in the May term of court, by the jury commissioners and Clerk of Court P. E. Webster at the court house Friday afternoon.

The name of Mrs. C. B. Baker, 639 Church street, was the first one drawn. The following 35 names were then taken from the box in the order given: James Kotas, Junction City; Oscar Skoglund, Amherst; Emil Mehne, Almond; Joseph Sikorski, Sharon; Mrs. A. P. Een, Amherst village; Dell King, city; Charles Swenson, Lanark; James A. Van Rooy, city; Mrs. R. S. Rogers, Almond; John Dulek, Dewey; Mrs. O. F. Meyer, Rosholt; Mrs. W. R. Cook, city; Andrew Timm, Grant; Gustave Olson, New Hope; J. F. Prondzinski, city; Frank Klein, Jr., city; Frank Raasch, Grant; Henry Kollock, Almond; Arthur Jakway, city; Mrs. A. J. Clements, city; Mrs. W. E. Marsh, city; Felix Jaiga, Hull; Will Howe, Plover; Neils Hanson, New Hope; Frank Ouan, Lanark; Mrs. D. J. Leahy, city; Jerome Britz, Stockton; Mrs. F. E. Walbridge, Plover; Joseph Sweetalla, Lanark; Fred Maynard, city; Mike Gosh, Stockton; Mrs. Anton J. Kubisiak, Stockton; Adolph Svenson, New Hope; Henry J. Ward, Stockton; and Mrs. James Coulthrust, Plover.

With but 55 names of women in the box containing the names of 211 prospective jurors, the number drawn Friday afternoon shows that there were more women's names drawn in proportion to the number in the box, than men.

The jury commissioners are S. H. Worzalla, city; H. H. Berges, Almond; and N. J. Lobenz, Nelsonville.

River Gives Up Corpse of Boy Drowned at Mosinee in March

The body of Wilford Thomas Engles, four year old son of Mr. and Mrs. William Engles of Mosinee, who was drowned on March 10, was recovered from the Wisconsin river Sunday afternoon.

The water in the pond above the power plant at Mosinee was lowered on Saturday and a workman in clearing some rubbish from the stream with a pole accidentally released the corpse of the boy, which had been caught on the bottom of the river about 100 feet out from the shore. The body had been taken down stream quite a distance from where the drowning occurred.

POSTPONE MEETING OF YOUNG PEOPLE

Older Boys' and Girls' Conference Not to be Held Until Fall

An older boys' and girls' conference for Portage county, planned for April 28, 29 and 30, has been postponed until fall. Prof. O. W. Neale, president of the Portage County Sunday School association, announced today.

The postponement was decided upon because of the many church activities which have been carried out in Stevens Point this spring, including the evangelist meetings at the Baptist church and the missionary sessions at the Presbyterian church. These and other activities have kept church workers so busy that it was believed that the time is not opportune for a boys' and girls' conference, which would mean entertaining of visiting young people in local homes.

The conference, when held, will include all Protestant churches of Portage county.

RURAL EXAMINATIONS TO BE HELD IN MAY

Graded School Pupils to Write on 10th and 20th and Rurals On 4th and 5th

Diploma examinations for rural schools of Portage county will be held May 4 and 5, County Supt. Alice M. Gordon has announced.

The examinations will be conducted at the following centers through the county: Stevens Point, Normal school, Amherst, High School; Almond, High School; Rosholt, Graded School; Junction City, Graded School; Bancroft, Graded School; Kellner, Grant Dist. 1; Amherst Junction, Graded School; Lanark, Madley school.

Two hundred and twenty-five eighth grade pupils and 210 seventh grade pupils in the rurals have reported their intention of taking these examinations. On these days seventh grade pupils may write examinations in civics and geography, and sixth grade pupils will write an examination in physiology in their own schools on May 4.

The examinations for the graded schools in the county will be held May 19 and 20, at centers to be announced at a later date.

TWO MEN FOUND LIVING IN HUT SOUTH OF CITY

Son, 18, Placed in Jail on a Charge of Burglary of Cottage

Two local young men, both slightly over 18 years of age, Ray Wood and Edwin Le Graves, were placed in the county jail late Friday afternoon after, the police state, they had confessed to the burglary on two different occasions early this year of a cottage owned by Mrs. M. N. Hughes, located in Phillips' Grove, near the south city limits.

The alleged confessions which the police secured practically cleared up the burglary of the cottage owned by Mrs. Hughes and occupied by her in the summer time. Goods and household articles of considerable value were taken from the home, the police state.

Cut Glass, China, Missing

Le Graves and Wood, the police state, confessed to having taken an electric lamp, a brass clock, tools, books and the locks off the windows. The theft of cut glass dishes, Haviland china, a Knights Templar belt and sword, and phonograph records, article still missing from the home was denied by the two young men who are now in jail.

Le Graves was found by the police Friday morning, in a dilapidated hut in the lowlands in the town of Plover southwest of the John Strange pulp mill at McDill, where he told them, he had lived with his father during the entire winter.

Hut on "Island"

When the officers arrived at the spot they found the shack surrounded by water, floods having overflowed the lowland on which it is situated. Some sand had been placed through the water in one place to make a path to the small "island" which had been formed by the rising water.

The hut is said to be less than eight by ten feet in size, and hardly high enough to allow a tall man to stand up inside. Thrown together with old sheet iron, it is full of holes and cracks. Le Graves and his father told the police they had banked up one side with sand and sod and covered it with snow in the winter. There was no door, just a hole in the side of the shack, over which was hung a strip of old canvas.

No Floor

There was no floor in the shack. A tiny open stove, a small table and a bed, covered with rags and old clothing, stood in one corner. Cans, bottle and jugs lay in confusion about the interior. Both men appeared as though they had had plenty to eat.

Le Graves was taken by the officers to the home of Wood on Blaine street, where a part of the articles taken from the Hughes home was found. The

brass clock was standing on the table in the Le Graves shack. Both Wood and Le Graves were then taken before District Attorney B. J. Carpenter, where they were put through a grilling, and it is stated, admitted their guilt.

Arraigned before Justice G. L. Park late Saturday both Le Graves and Wood pleaded guilty to charges of burglary, made against them. They were bound over to circuit court for sentence, and in default of bail were remanded to the county jail.

CITY GETS BIG SUM FROM INCOME TAXES

Big Increase in Funds Over Year Ago Caused by Prosperity of 1920

The 1920 peak of prosperity with its attending high wages is reflected in state income tax payments in Stevens Point, which have now been completed for that year.

The city's share of state income tax paid by local residents for 1920 is \$22,131.91 and the state receives \$9,485.10, the total being \$31,617.01. A year ago the city's share on 1919 incomes was only \$4,704.95 while the state received but \$2,016.40 from Stevens Point.

A higher scale of wages and salaries in 1920 over the preceding year is given as the reason for the big difference in figures. Figures compiled at Madison show a similar condition throughout the state, the state income tax payments this year being enormously increased over last year's figures.

FUNERAL OF RICHARD GROSS

Many friends and former neighbors from the towns of Sharon and Stockton and all close relatives except a sister were included in the large gathering at St. Stephen's church at 9 o'clock Monday morning when requiem mass was offered up in behalf of the late Richard Gross, who passed away last week.

Rev. F. X. Kheil, Walsh, Marinette county, was celebrant of the mass, assisted by Rev. N. L. Gross of Oshkosh and Rev. James C. Hogan, pastor of St. Stephen's. Fathers Kheil and Gross are nephews of the deceased.

A sister, Mrs. Christine Kheil of Walsh, was unable to come on account of illness. Mr. Gross' daughter, Mrs. Ray Leary of Marmarth, N. D., accompanied by Mr. Leary and their young son, reached here the latter part of last week.

Palbearers were John Demmerly, Nick Juving, George T. Wakefield, William Gee, C. Geisler, and Oscar Tack.

Do You Know the FACTS About Building Costs

Do you know that lumber and building materials are down?

Have you talked to us lately about building?

Do you know how reasonably you can make needed repairs, build your new home, or remodel your old one?

Better get in touch with the situation at once.

The big building program that was expected in 1920 failed to develop. The manufacturers were caught with too large stocks, and were forced to turn them over at almost cost.

We can show you a substantial saving on every item in our line.

But it's only fair to tell you this condition may be only temporary. The country is short more than a million homes. When people begin to do this long delayed building, demand will increase rapidly, creating another shortage of materials, and prices will advance again.

If you are planning to build, remodel, or repair come in and let us give you figures. Then when we show you the actual savings over last year's prices and show you how favorably present costs compare with those of 1914, make your own decision.

LEGION CENSUS IN THIS COUNTY STARTS MAY 1ST

Hope to Have Every War Veteran Answer Long Questionnaire

A census of veterans of the World war, recently authorized by the American Legion, will begin in Portage county on May 1, under the direction of Leo C. Larson, assistant cashier of the First National bank of Stevens Point, who has been appointed county chairman. It is hoped to enumerate every ex-service man and woman. A house-to-house and farm-to-farm canvass of every city block and township in Portage county is planned. Every veteran will be interviewed, asked 48 questions and his answers recorded. When the national census is complete national headquarters of the Legion expects to have a concise and complete record of every man and woman who was in the service. This record will be invaluable to the Legion in prosecuting its fight for the disabled, and for all classes of veterans who have unsettled claims or adjustments to make with the government. In the past two years the national service division of the Legion has been instrumental in settling claims in favor of veterans totaling more than \$10,000,000.

Every veteran will be asked if he was wounded or gassed or injured by accident, if his health was impaired in any way while in the service, and if he has received satisfactory medical treatment and compensation. It is known that there are many still suffering in various ways as a result of their military service, who have never been reached by government relief. The services of the Legion are laid at the disposal of all persons in this position.

Would Help Disabled

There are other ex-service men in a more fortunate position, who have re-established themselves financially and can spare to their less fortunate comrades the benefits to which they are entitled under the pending adjusted compensation bill. These persons are to be asked if they will devote their shares of the government compensation allowance to aid their needy and disabled "buddies." In this way the Legion intends to establish a rotating fund for the immediate relief of all whose needs are too pressing to wait on the course of government procedure. There are thousands of these. They will not be helped by the passing of laws. They need care taken of them right away, according to local Legionnaires. It has been a case of "let George do it," and "George" as usual has stayed around the corner. This is the condition that the rotating loan fund of the Legion has been designed to remedy, and the Legionnaires are confident that the same old spirit that brought in wounded comrades under fire will not be found "around the corner" in the relieving of the ex-service man in distress today. All veterans are to be sought out whether members of any soldiers' organization or not. The matter of their membership in the Legion is of no consequence. The fact is that there is no other organization of sufficient scope to undertake and carry through a national census of veterans, and with the very apparent need of such a census the Legion has taken it up.

To Express Choice

The recording of what choice each veteran will make under the five alternatives provided for in the Adjusted Compensation bill will be a very important result of the census. This question is to be asked of every ex-soldier in the community. The bill offers the soldier his option of any one of the five following provisions for compensation: (1) Adjusted pay for the term of service put in; (2) a paid-up 20-year insurance policy; (3) expenses paid for a course in vocational training; (4) a loan for the purchase of a farm or home; (5) application of a man's adjusted pay on the purchase of government improved land.

The adjusted pay is to be set at the rate of \$1.00 a day for home service and \$1.25 a day for service overseas. The face value of the life insurance policy offered is to be 3.33 times the amount that would be received by the same man as adjusted pay. His vocational training aid or farm or home loan would be 140 per cent of what he would receive in cash.

Back Claims

All back claims against the government are likewise to be entered in the Legion census. If a man did not get his \$60 bonus on discharge he is requested to make it known. If the government owes him back pay, travel pay, if his allotments or Liberty bonds have gone astray, if he has never received his Victory medal, he is to enter his complaint on the Legion questionnaire.

"We want to know everything that every ex-service man has got coming to him," is the word that has come from state headquarters.

BIG SALE IS PLANNED

Buyers of Guernseys to Meet at Amherst on May 4

"Everything possible is being done to make the big sale of pure bred Guernseys, to be held at the local fair grounds May 4, a big success in every way," says the Amherst Advocate. "Some of Portage county's best Guernsey cattle will be offered from nearby counties and a large number of outside buyers will no doubt be here to bid on this choice dairy stock."

"This will be one of the biggest sales ever held in Portage county and big preparations are being made for the event. While much of this stock will no doubt be purchased by out of county men, dairymen in this section who desire to forge ahead in this big business should be present and get their share of these choice animals."

HONOR MEMORY OF U. S. GRANT IN ALL SCHOOLS

100th Birthday Anniversary to be Observed in City and County

The 100th anniversary of the birth of General U. S. Grant occurs on April 27 and will be observed in Stevens Point and Portage county by young people attending public schools.

A general observance of the day throughout the country has been planned by the National Encampment of the Grand Army of the Republic in accordance with resolutions passed at its session in Indianapolis last September.

State-Wide Observance

Colonel M. L. Snyder, department commander of Wisconsin, and Assistant Adjutant General J. A. Watrous are making arrangements for the proper observance of the day in Wisconsin, and are asking the cooperation of school officials in arranging suitable programs in all of the schools of the state on this occasion. All members of the various soldiers' organizations and patriotic citizens generally are of the opinion that nothing can be done to commemorate the occasion that will make a more lasting impression than suitable exercises in the schools throughout the state.

Cooperation Asked

In a letter sent out to county and city superintendents, John Callahan, state superintendent, invites them to cooperate in notifying teachers under their respective jurisdiction so that each school may observe the day by presenting a suitable program on the afternoon of April 27 to which citizens of the community are to be invited to participate. "The purpose is to leave a deep and abiding impression in the hearts of the youth of the state in paying tribute to the memory of a great American soldier and statesman."

Program Suggested

Copies of a program which the state superintendent has suggested as appropriate for the occasion have already been sent to all ward school principals in the city by Superintendent H. C. Snyder and to rural school teachers by Miss Alice M. Gordon, county superintendent. It is expected that the Grant program will be quite generally carried out as a result. In the country in most cases the boys' and girls' societies will put on the programs under supervision of their teachers. Regular school work will not be neglected on that day, the program being arranged as an additional activity. The ward school principals in the city will arrange with their teachers and pupils to hold appropriate programs at the same time.

INCOME TAX RETURNS PROMISE BIG INCREASE

Rusk County Payments to be Ten Times That Turned in to Treasury in 1921

Madison, Wis., April 17—State income tax payments this year will be enormously increased over last year's figures, Secretary of State Henry Johnson announced today after receiving preliminary figures on the amounts paid by the various counties into the state treasury.

Rusk county took the largest jump. This district, which paid \$661.09 in income tax not including soldier and educational bonuses, or teachers' retirement fund provision, will turn in \$4001.07 this year as its share. Price county will pay \$1,550.29 this year. Last year it paid \$1,305.01. Winnebago county nearly tripled its amount of \$11,448.81 last year with a promised payment of \$33,963.47.

PLOVER GUN CLUB HOLDS FIRST MEET

Gay Carley Hits 21 Out of 25 "Birds" in First Shoot Held on Sunday

The first "shoot" of the newly organized Plover Gun Club was held on the grounds near the Green Bay depot in the village of Plover on Sunday afternoon.

The club was organized a week ago, and several squads of shooters have become members. Equipment has been secured and set up. Only one squad went through a regular program Sunday afternoon, but some fine scores were made.

Guy Carley "killed" 24 birds out of 25 attempts. Ray Weinhold and Paul Dukavage each got 22 out of 25, John Lepinski hit 21 out of 25 and D. H. Parks secured an 18 score.

It is the plan of the club to hold a shoot each Sunday afternoon, and other clubs in the county are to be invited to come down for contests with the Plover men.

TO MOVE TO ASHLAND

Family Heading at Ellis to Leave This Part of the State

Mr. and Mrs. P. M. Elden and their two young sons, who reside near Ellis, will leave early next week for Ashland, to spend the summer months.

Mr. Elden will engage in the real estate and insurance business there and will also operate a popcorn stand during part of the season. For the past several years he has been a director of the Stockton insurance company, which position he resigned a few days ago and expects to be succeeded by Balduz Baker, a resident of Sharon and for several years clerk of that town.

Mr. Elden's aged mother, Mrs. Margaret Elden, will remain at the farm home, the land having been leased to John Koltz, owner of the adjoining property.

John Elden, another member of the pioneer Sharon family, will operate a popcorn wagon at Ironwood, Mich., this summer.

COMMITTEE PLANNING A TWO MILE PARADE

Prizes for July 4 Celebration Decided on at Meeting on Thursday Night

A parade two miles in length and composed of five sections is being planned by the parade committee of the American Legion for the Fourth of July celebration in Stevens Point.

The committee, headed by Carl Anschuetz, held a meeting at the Elks' club rooms Thursday evening and decided to offer prizes totalling \$85. The parade is to include the following sections: floats, comics, automobiles, lodges and the National Guard.

First prize for the best float will be \$20 in cash, while awards of \$40 will be made for the best decorated automobile and the best comic entry. Other prizes will also be given. It was reported that 20 business men are planning entries in the float section and work on some of the displays is to be commenced soon.

The parade committee intends to make the parade one of the big features of the Fourth of July observance here. It invites all individuals and firms to file entries in any of the sections. A popularity contest is also being planned and the most popular girl, chosen just before the Fourth, will have a seat of honor on one of the gayly decorated floats.

OATS RECOMMENDED AS ROTATION CROP

Richness of Wisconsin Soil Forms Chief Problem, Say Madison Men

Madison, Wis., April 14—The chief problem in the growing of oats, Wisconsin's leading grain crop, is that most of the Wisconsin soil is too rich, a bulletin of the experiment station of the college of agriculture of the University of Wisconsin declares today.

Because of this fact, oats should be used as a rotary crop, to be planted in soil after corn or some other crop which takes much "strength" from the soil, has been grown.

The bulletin "Wisconsin Oats," is written by B. D. Leith and E. J. Delwiche of the experiment station, and contains a survey of the proper and common practices used in raising the chief grain crop of the state.

The acreage of oats in Wisconsin corn and much greater than the other small grains, the bulletin declares in emphasizing the importance of oats.

Results of various treatments of soils and weather conditions, as made on the University experiment farm, together with pictures, are presented with tables and results in the pamphlet.

MATT RYAN RECOVERS FROM SMALLPOX ATTACK

Mrs. Matt Ryan, who has been with Mr. Ryan at Manitowish since last fall, attended to business matters and visited relatives in this city on Wednesday. She and her husband were released from quarantine last Friday. Mr. Ryan having been very sick with a case of the old fashioned kind of smallpox and is still in a weakened condition. It is believed that the plague was contracted at Minneapolis a month ago, when he went there to attend the funeral of a brother, Mike Ryan. He had a severe chill on the train which brought him to Manitowish and the next day the smallpox rash appeared on his face and body.

PAY OFF HIGHWAY BONDS OF PORTAGE COUNTY

Mrs. Willard of McDill Goes to His Bedside at Lena

(By Special Correspondent)
McDill, April 15—The many friends of Hastings McGill were pained to hear of his illness at the home of his daughter, Mrs. Arnold Herman at Lena. Mr. McGill is an old resident of McDill. Another daughter, Mrs. Willard, went to Lena Tuesday to be at her father's bedside.

Glad Flood is Passed
The people of McDill are glad to know that the flood has reached its crest and is slowly falling. Many men have been working day and night to keep it from coming over the road at McDill.

Other McDill Items
Mrs. Thad Simonds, who is teaching near Lake Thomas, spent the week-end with her parents, Mr. and Mrs. L. F. Means, who have been quite sick.

Joseph Boursier is spending the week with his brother, David, at Pleasant Valley.

J. E. Manchester came up from Ox Wednesday morning, visiting his sisters, Mrs. Fay Topping and Mrs. Ben Ricker and other friends.

Lee Simond's two children, who have been quite sick with stomach trouble, are much better.

BIRTHDAY CELEBRATION
Grandma Newby of Keene One of Oldest in This Section

(By Special Correspondent)
Buena Vista, April 19—Grandma Newby of Keene had her birthday celebration Sunday. She is one of the oldest persons in this part of the country. Every year on her birthday her relatives gather at her home and spend part of the day with her.

Buena Vista Briefs
J. Strong has been in poor health for some time.

Mr. and Mrs. E. McCormick of St. Paul visited relatives here Sunday.

The O. McCormick and R. Adams families.

The Easter service at Utkins was very impressive. One person was baptized and received into the church.

The service and program at Buena Vista was very beautiful. Songs, recitations, dialogues, prayers and all.

During the service Mr. and Mrs. Roy Adams were received as members of the church.
